Exploring the role of vision in learning ...

This conference is designed as an opportunity for school nurses, educators, administrators, school psychologists, occupational therapists, optometrists and others to learn about the relationship between vision and learning. It will also provide an opportunity for dialogue to explore ways to collaborate to make sure that vision conditions don’t hinder children’s ability to learn and there will be a presentation on vision and movement. In addition, conference attendees will have the opportunity to discuss the Kansas Vision Exam Law, current projects underway in Kansas and an exciting new safety effort.

Please forward this information to other professionals in your school or community who may be interested as well. If you have questions or need additional information, please call 1-800-960-EYES or send e-mail to todd@kansasoptometric.org.

Hotel Accommodations

A limited number of rooms are available at the DoubleTree by Hilton - Wichita Airport for participants in the Children’s Vision and Learning Conference. The DoubleTree is located at 2098 Airport Road in Wichita.

Room reservations are available by calling 1-800-247-4458 Monday-Friday between the hours of 8:00 a.m. and 5:00 p.m. or by calling the hotel directly at 316-945-5272. You may also reserve a room online at www.kansasoptometric.org.

The flat discounted group rate we have negotiated is $102 single or double. The deadline for reserving a room at the reduced rate is September 17, 2015.
